

BASENJI PROFILE

| | |
|-------------------------------|--|
| General Description | Phoebe is 7 months old, and a very loving, friendly Basenji girl who has a true Basenji nature. She is very active and extremely mischievous. Phoebe gets on well with other dogs and children. And needs to be an inside/outside dog. |
| | She is looking for her ideal family to adopt her. They must have experience sharing their life with Basenjis and preferably, currently have Basenjis. Her new family will also need to have a 6 foot fence, ideally made of wood/steel (not chainwire) with no holes, gaps underneath or weaknesses. |
| | There is an adoption fee for Phoebe and she will be only placed in a vetted home. Interstate enquires are welcome. All transport costs are in addition to her adoption fee. |
